HORNY EVENT'S GIOVANNA

Quick explanation: To trigger these events, Giovanna needs 100 Horny Points. She gains 5 points each time she leaves a room and enters another—*but only inside the church*.

Additional info: I intentionally chose to have the girls act in these events as if they don't know Giovanna is a futanari—consider it as a little extra content.

You can buy Horny Potions—they instantly give you 100 Horny Points.

After reaching 100 points, you'll get the following choices:

Masturbate

Giovanna Masturbates

Suck your Dick

Giovanna Sucks her Own Dick

Fuck Someone

Giovanna will have sex with someone in the room. If there's more than one person, she can choose who to sleep with.

Giovanna need to have enough Corruption Point's to do it.
